SUMMARY

8+ years of cross-domain experience managing teams consisting of 10~285 members, specializing in environmental sustainability, youth leadership, and technology. Skilled in bilingual communication, cross-cultural collaboration, project management, and integrating emerging technologies to improve efficiency and impact.

EXPERIENCE

Seasonal Staff Member, Union Square Holiday Ice Rink ..... Oct 2025 — Jan 2026
San Francisco, CA

- Fluidly rotated between cross-functional operations: Check-in, Concessions, Skate Shop, Lockers, and Rink Monitor. Processing high-volume holiday traffic of 2,000+ daily visitors with rapid turnover.
- Operated and maintained Zamboni ice resurfacing machinery for optimal ice quality; executed mechanical repairs on resurfacing tools, lockers, and rental skate fleet, minimizing equipment downtime.
- Enforced safety protocols and utilized de-escalation techniques to resolve conflicts in a fast-paced environment, minimizing accidents during assigned rink monitoring shifts.

Instructor, HOKALI After School Programs ..... Sep 2025 — Current
Bay Area, CA

- Directed multi-disciplinary after-school programs (Coding, Robotics, Mandarin, Culinary Arts) for 300+ students (Grades 1–9) across 4 major Bay Area cities, adapting curriculum to diverse learning speeds.
- Managed classroom logistics and student safety in high-energy environments, maintaining a high retention rate through engaging instruction and proactive behavioral management.

Logistics Intern, Laya Burger ..... Sep 2024 — Dec 2024
Taiwan

- Conducted market research of 6 major Japanese cities, compiling 120+ competitor pricing data points.
- Analyzed 5 potential supply chain routes, identifying a preferred option that reduced estimated logistics costs by 18% compared to baseline import models.
- Designed a 40-slide bilingual expansion pitch deck, integrating consumer insights from 350+ online survey respondents and 15 in-person stakeholder interviews.
- Delivered proposal to executive team, shortlisting 3 prime locations projected to generate ~NT$45M annual revenue within the first year of launch.

Marketing Intern, Samyang Foods ..... Jan 2025 — Apr 2025
Seoul, South Korea

- Conducted social media sentiment analysis on 8,500+ North American consumer posts to identify flavor preferences and brand perception gaps.
- Led concept development for a digital campaign projected to reach 2.5M target consumers across Instagram, TikTok, and YouTube.
- Collaborated with the creative team to produce 5 localized ad concepts for US & Canadian audiences, with projected CTR improvement of 23% based on A/B testing results from mock ads.
- Recommended influencer partnerships with a combined 7.8M followers, estimated to increase brand awareness in key markets by 30% within campaign run.

Strategy & AI Intern, RedPeak Global Brand Consultancy Firm ..... Apr 2024 — Oct 2024
Taipei, Taiwan

- Assisted in 14 brand strategy projects, conducting market analysis, competitive benchmarking, big data insights, reporting, and presentations.
- Developed LinkedIn content strategy, authored bilingual articles, and translated multilingual materials to enhance brand presence.
- Built GPT-4 chatbot and Stable Diffusion image generation platform, automating workflows and reducing project delivery time by 40%.

Founder & Development Lead, EcoCoin × Econo+ Sustainable Economic Action Platform — Mar 2022 — Jul 2025
Remote

- Integrated blockchain-based incentive mechanisms with a global resource database to create the first green economic cycle system.
- Enabled users to earn eco-tokens redeemable for sustainable products and CSR services by engaging in environmental actions.
- Provided real-time material flow, supply chain, and price predictions for six major industries to inform sustainable business strategies.

Youth Commissioner, New Taipei City Government — Apr 2021 — Dec 2022
New Taipei, Taiwan

- Selected from 600+ nominees (0.03% acceptance rate) as the youngest committee member representing youth aged 18–40 in Taipei metro.
- Secured NT$130M budget to establish the Youth Affairs Bureau and develop long-term youth entrepreneurship, housing, and education policies.
- Designed and supervised 63 youth-focused events and 5 strategic projects, engaging hundreds of teams nationwide.

Vocational Instructor & Bilingual Interpreter, Ministry of Labor, Taiwan — May 2018 — Jul 2023
Taiwan

- Delivered courses on IoT, SQL, C++, Illustrator, AutoCAD, and 3D design to 1,500+ learners, boosting employability and technical skills.
- Served as interpreter for national exhibitions, policy meetings, and MOU signings with international leaders.

Curator, TEDxNTUST — Aug 2017 — Oct 2020
Taipei, Taiwan

- Led a 24-member international team in topic design, speaker recruitment, and marketing strategy.
- Increased sponsorship by 850% and boosted online engagement by 587% during the COVID-19 pandemic through revamped digital strategies.

Founder, Union Youth Volunteer Team (STEAM Education NPO) — May 2016 — Jul 2023
Taiwan

- Directed a 23-member core team, delivering 198 events reaching 800K+ participants with a satisfaction rate of 98.7%.
- Authored and illustrated bilingual environmental picture book, leading related campaigns with over 480K exposures.
