BOSS HUANG

San Francisco, CA · bosshtw@gmail.com · (628) 488-3723
bosshtw.github.io/portfolio · linkedin.com/in/boss-huang · github.com/BossHTW

Builder who ships full-stack AI products solo and pitches them. Strategy, business development and marketing internships in San Francisco, Taiwan and Korea, public-sector program leadership, and eight years of starting and running teams.

EXPERIENCE

Butlr, *Strategy & Business Development Intern, Office of the CEO* Jul – Sep 2026

- Reported to the CEO; mapped Butlr's entry into the Open Compute Project data-center community (paths, deadlines, first step).
- Built prompt workflows that batch-summarized OCP Global Summit talks on thermal management into briefs for the CEO.

Larkin Street Youth Services, *Marketing & Communications Intern, YouthForce* May – Oct 2026

- Proofread a 17-page major-gifts case for support (11 corrections, 4 fact-check queries), catching conflicting statistics before donors saw them.
- Edited 4 event videos, wrote 6 youth stories, spoke at the Bay Area CFO of the Year Awards, and led a campaign from SWOT to launch assets.

RedPeak Global Brand Consultancy, *Strategy & AI Intern* Apr – Oct 2024

- Built a GPT-4 research assistant and a Stable Diffusion concept-image tool used across 14 brand-strategy projects, cutting project delivery time by 40%.

Laya Burger, *Logistics Intern* Sep – Dec 2024

- Built a Japan market-entry plan (6 cities, 120+ competitor prices, 5 supply routes); the recommended route cut estimated logistics cost 18%.
- Synthesized 350+ surveys and 15 interviews into a 40-slide bilingual proposal for the executive team, shortlisting 3 launch sites.

Samyang Foods, *Marketing Intern* Jan – Apr 2025

- Analyzed 8,500+ North American consumer posts to map flavor preferences and brand-perception gaps, then developed 5 localized ad concepts for a campaign targeting 2.5M consumers.

New Taipei City Government, *Youth Commissioner* Apr 2021 – Dec 2022

- Youngest member, selected from 600+ nominees; secured a NT$130M budget to establish the city's Youth Affairs Bureau, and designed and supervised 63 events and 5 strategic projects.

FOUNDER PROJECTS

Signet, *Solo founder & engineer · Cal Hacks 13.0* Oct 2026

- Built a system that checks nonprofit aid payments against grant rules, the bank and vendor identity before money moves: Claude reads the documents, deterministic code makes every check, and two different people must sign.
- Integrated 5 live services (Claude, Capital One Nessie, CRS, Bright Data, Moss); caught 8 of 8 planted errors.

Haggle, *Solo founder & builder · The AI Commerce Gallery* Oct 2026

- Built a team of store agents on Band that negotiates with a shopper's AI agent, checks competitor claims and protects margin; the demo closed a $248 item at $195 (43.6% margin) in 34 seconds with one owner approval.

EcoCoin × Econo+, *Founder & Development Lead* Mar 2022 – Jul 2025

- Built a platform rewarding environmental action with eco-tokens redeemable for sustainable products; grew out of a Samsung Solve for Tomorrow finalist project.

LEADERSHIP

Soft Skills Union (STEAM education nonprofit), *Founder* May 2016 – Jul 2023

- 23-person core team; 198 events reaching 800K+ participants (98.7% satisfaction); bilingual picture book (480K+ impressions).

TEDxNTUST, *Curator* Aug 2017 – Oct 2020

- Led a 24-person international team; rebuilt the digital strategy during COVID, growing sponsorship 850%.

EDUCATION

Minerva University, *B.Sc. Business & Computational Sciences* Expected 2027

SKILLS & AWARDS

Build: TypeScript, Python, SQL, C++; React / Next.js, Node.js, SQLite; LLM APIs (Claude, GPT-4); Git
Business: Market research and sizing, go-to-market plans, pitch decks and investor memos, bilingual content
Design & hardware: Figma, Adobe Creative Cloud, Fusion 360, AutoCAD, PCB design · **Languages:** English, Mandarin (native)
Awards: Stanford × Bay Area Youth Shark Tank, 1st (2017) · Samsung Solve for Tomorrow finalist (2022) · Adecco, top 6 of 2,000 (2018)
